Edition:1

Aoun Food upper management has defined the food safety policy which is applicable to the purpose and context of the organization. This policy is reviewed on yearly basis to ensure its suitability.

The food safety policy provides a framework for setting and reviewing objectives. Details are written in the Objective tracking sheet.

Aoun Food is committed to complying with all regulatory requirements and to continually reviewing and improving the effectiveness of its Food Safety Management System as per ISO 22000:2018, ISO TS 22002-1 and local standards such as ministries and Libnor in addition to standards of importing/ exporting countries.

Aoun Food is committed to producing and packing grains, herbs, spices, floral waters and lemon substitute products which are compliant to the safety and quality standards of their clients and providing them with all their needs. This is applied by ensuring that employees are competent and by improving their skills.

Aoun Food is committed to the implementation of food safety requirements and to continual improvement. These requirements, including this policy, are communicated to all personnel, through effective internal communication.

The Food safety policy has been communicated to all stakeholders.
